Bialetti Industrie S.p.A. is a leading Italian manufacturer and a major operator in international markets with a brand that is recognized as a synonym for "Made in Italy quality". The company owns trademarks with long traditions and particular notoriety such as Bialetti, Rondine, Girmi, Aeternum and CEM. Bialetti Industrie manufactures and sells products for the housewares market and, in particular, cooking tools, coffeemakers and small appliances through its two strategic divisions, "Housewares" (cooking tools, coffeemakers and non-electric kitchen accessories) and "PED" (small electric appliances, including electric coffeemakers), both dedicated to large organized distribution and the retail channel. The Group, which has distinguished itself over the years for its high degree of innovation and its use of new materials and technologies, operates with its own manufacturing plants in Italy – in the Provinces of Brescia (Coccaglio) and Verbania (Omegna) – in Turkey and in Romania. Bialetti Industrie's excellence derives from its ability to associate traditional values to its products such as quality, durability, design and safety, as part of a strategic plan of Corporate Social and Environmental Responsibility that is well expressed in its philosophy: "more value to daily life".
